## Community Celebrations for the Queen's Platinum Jubilee

Get ready to put on your dancing shoes (or sandals) for the Platinum Jubilee Celebrations

**Sunday 5 June, 3pm-5pm,  
Wintringham Plaza**

The extended Queen's Platinum Jubilee weekend will see a variety of both local and town-wide celebrations happening between 2 and 5 June. Here on Love's Farm, some streets have street parties planned to mark Queen Elizabeth's

momentous reign, but there is also an all-together community event in the planning!

The Wintringham Residents Association and the Love's Farm Community Association have joined forces and are organising a Country Dance and Cream Tea on the Plaza outside Wintringham School on

Sunday 5 June. The afternoon will run from 3-5pm and will include 'called' dances so that all abilities can join in!

Lynne Otto from DSM Dance with Lynne will be our master of ceremonies and there will be music and dances to celebrate all corners of the country. Please save the date, bring your neighbours, and come dressed ready to reel and spin!

As if that wasn't enough, interspersed between the dancing, Love's Farm's very own Chris Hatt — musical director of West End smash hit Hamilton — will entertain us on the piano, giving you time to chat with your neighbours over a cream tea.

Other ideas we're hatching for the Jubilee Weekend include a gallery of children's portraits of Her Majesty, face painting, soft play and more besides. Keep an eye on Facebook and local publicity, message Jan via the Wintringham Residents Facebook page, or email Helene on [community.chaplain@yahoo.co.uk](mailto:community.chaplain@yahoo.co.uk) for more details.

## Love's Farm Hosts Ukrainian Refugees

The Government has announced the Homes for Ukraine scheme, allowing Ukrainian refugees to seek shelter in the UK. Refugees require a UK resident to sponsor them. A sponsor's role is to assist with the visa application process, provide housing for a minimum of six months and support their refugees with practical

The Homes for Ukraine Scheme is open and we'll be giving them a Love's Farm welcome.

help when they arrive. Financial sponsorship is not required.

We are forming a group of Love's Farm residents who would like to be sponsors, with support from the Community Association. Our aim is to create a support network for Love's Farm hosts and our Ukrainian guests. This will also allow larger Ukrainian families to find shelter in separate, but nearby, UK homes.

We know that Love's Farm is a friendly and welcoming community and that lots of our residents will be considering opening their homes to refugees. If you would like to join our group, or simply find out more about the sponsorship scheme, please contact Lara Davenport-Ray on 07870 201214 or email [chair@ourlovesfarm.co.uk](mailto:chair@ourlovesfarm.co.uk).

## District and Town Council Elections

Thursday 5 May, 7am-10pm,  
Love's Farm House

Please make a note in your diary to pop down to the polling station at Love's Farm House on 5 May. Love's Farm is part of the St Neots East ward, and is represented by two

councillors at Huntingdonshire District Council and four at St Neots Town Council. That means residents can cast up to six votes on 5 May.

The District Council is responsible for waste collection and recycling, planning and housing, licensing, leisure centres and most green spaces, including many of the green areas on Love's Farm.

The Town Council manages the smaller parks in St Neots, organises events such as the Christmas Lights Switch On and the Farm and Craft Market, manages the Priory and Eatons Centres and offers grants to community groups such as LFCA and Love's Farm House.

The lists of candidates will be published in early April — we'll share them at [www.ourlovesfarm.co.uk](http://www.ourlovesfarm.co.uk) and on social media. If you're not already on the electoral register, or if you want to register for a postal vote, you have until 14 April. Visit [www.huntingdonshire.gov.uk/elections](http://www.huntingdonshire.gov.uk/elections) for more information.

## Big Easter egg hunt 2022!

Whatever is happening in the world, it is not Easter on Love's Farm without this!

The Love's Farm BIG Easter Egg Hunt will run from Monday 4 April until Monday 18 April 2022.

It's free and easy to join in! There will be 30 numbered eggs hidden in windows around Love's Farm and

Wintringham. All you need to do is find them and write down the address.

Forms will be available on the LFCA Facebook page for you to print or collect from Love's Farm House.

## Love's Farm House Update

Love's Farm House is YOUR local venue for fitness classes, kids' activities, social events, support groups and much more. The building is here to benefit everyone who lives on Love's Farm — that means you! We also love to welcome our neighbours from Wintringham and further afield. We have a comprehensive schedule of regular activities, and the foyer is open on weekdays from 9am to 3pm for you to drop in, use the Wi-Fi or choose a book from the Micro Library (which now includes a great selection of Reading Well for Mental Health titles).

Helene Tame provides a friendly face behind the hatch at the Farm House cafe on Tuesday mornings

The Farm House cafe serves up freshly-baked pastries on Tuesday mornings.

(term-time only) and the bar is open every Friday evening for you to relax and unwind over a drink with your neighbours.

Please do have a look at the What's On Guide on the back page to see if there's anything that takes your fancy. You can find more details at [www.lovesfarmhouse.com/whats-on](http://www.lovesfarmhouse.com/whats-on). ## Hire Slots Available at Love's Farm House

Following a couple of recent cancellations, we have two weekly after-school slots available in the hall at Love's Farm House. These don't come up very often, so if you have been considering starting an after-school club, or any other activity that you think would work well in these time slots, now's your chance!

The hall is available between 3.15-6pm on Mondays and 3-5.45pm on Thursdays and costs £13.25 per hour for non-profit organisations or £16.50 per hour for commercial activities. You can add kitchen access for a small additional fee. Use of the A/V system and disco lights is included and the multi-use flooring is suitable for all sorts of exercise classes, dance classes or other activities (sadly we can't accommodate ball games, roller skates or skateboards).

If you are interested in hiring the hall during these or any other time slots, get in touch with Jenny via [bookings@lovesfarmhouse.co.uk](mailto:bookings@lovesfarmhouse.co.uk) or 01480 262626.

## Love's Farm Out of Doors

*with Phyllis Hooper*

Well, despite my scepticism about cheering spring until March is out, it does seem that plants, animals and birds are beginning to wake up. We are so lucky on Love's Farm to have lots of lovely green spaces. It is good to remember that every green leaf on tree, bush, the ground, or even in water, is giving us the oxygen we need in order to live. Basically, during the day, when it is light, all green

plants take in the carbon dioxide that we breathe out. Then, using the carbon to grow, they give back oxygen at night. How amazing is that? Happily, the Arctic taiga, pine forests and the tropical rain forests have been doing the heavy lifting while our deciduous plants have been leafless and the pesky winds have been mixing the atmosphere.

I was talking to an HDC groundsman today and they share my sadness that some of our overhanging shrubs have not been cut back this winter. Love's Farm is not alone in needing care and we were very over-planted in the beginning. I know a few people other than myself have been out with loppers or secateurs. That's great.

Spring has sprung on Love's Farm

Perhaps when doing so, you could push the pruning off the mowing line, just back into the shrubs. They will soon rot down and meanwhile make shelters for creepy crawlies and hedgehogs.

Talking of mowing, I was told that there is planned to be a 20% rewilding this year. This is a newish conservation buzz word. Tidy and manicured nature tends to be poor in diversity, so easing up on the tidying gives nature a better chance. Of course, at first this will just look like neglect, but on someone's desk somewhere there will be a plan. I'll be watching on our behalf!

In fact, it was suggested that the kickabout field might not be mown this summer, to which I countered that maybe the back, very damp area

could be rewilded but the drier end was enjoyed as a picnic and ball games area. We will see.

On some of the development there IS a Dog Poo Fairy and she is old and very grumpy. I cannot say I have never missed a Robert poo when he is miles behind me (I don't let him off lead until after two) but I also pick up lots and lots of abandoned heaps, every one of which gives all dog owners a bad name. The fact that I can be certain that I will find them in similar places indicates that dogs follow a pattern — please learn yours.

Enjoy the spring. If you want any advice or identification do contact me on [phyllis.hooper@btinternet.com](mailto:phyllis.hooper@btinternet.com) or 07709903249.
